Rustic Charm Revived...

Introducing 'Stonecast' an exciting collection of rustic and hand decorated products from Churchill, inspired by the changing seasons and fresh ingredients.

This rustic collection is revived from a design from the Churchill archives, dating back to the days of the James Broadhurst factory.

Stonecast is now available in seven stunning colours, hand painted and then hand finished with a fine speckle and rustic edge in a rich Golden Brown. The nature of the process means that every piece will be slightly different, adding to the overall charm of the product.

The range of colours and finish are key in making the collection as versatile as possible. Stonecast complements all types of foods and adds value and authenticity to the overall presentation.

Stonecast is suitable for a broad mix of markets from rustic gastro bars serving traditional fayre through to more premium restaurants looking for an eye catching product to truly showcase their dishes.

Whatever your venue or style of food, Stonecast offers the perfect choice.

Stonecast allows you to be individual!
