Aqueous

Premium Colour Combination

Inspired by the fluidity of water, Aqueous emulates a liquid pooling effect. The contemporary design is available in colour combinations reminiscent of tones found in natural bodies of water. As with all ranges within the Stonecast collection, Aqueous is hand finished making each piece unique.

Introducing Aqueous Lagoon, the third Aqueous colour combination, hand finished in the fresh turquoise tones of coastal lagoons. Contemporary walled plates finished in Aqueous Bayou are also new additions for Spring 2020.

Presentamos Aqueous Lagoon, la tercera combinación de colores de Aqueous, acabada a mano en los frescos tonos turquesa de las lagunas costeras. Los platos de ala elevado contemporáneas acabados en Aqueous Bayou son también nuevas incorporaciones para la primavera de 2020.

Vi presentiamo Aqueous Lagoon, la terza combinazione cromatica Aqueous, rifinita a mano nelle fresche tonalità turchesi delle lagune costiere. Un'altra aggiunta per la primavera 2020 e' rappresentata dai piatti moderni con bordo verticale nella colorazione Aqueous Bayou.

Als dritte Aqueous-Farbkombination stellen wir Ihnen Aqueous Lagoon vor, dass in den frischen Türkistönen von Küstenlagunen von Hand dekoriert wird. Zeitgenössische Teller mit hohem Rand in Aqueous Bayou gehören ebenfalls zu den Neuheiten im Frühjahr 2020.

Aqueous Lagoon est la troisième couleur de la gamme Aqueous. Une couleur appliquée à la main comprenant différents tons de turquoise rappelant les lagons paradisiaques des îles. La forme moderne de l'assiette à bord droit "Walled plate" sera aussi disponible en couleur Aqueous Bayou dans les nouveautés Printemps 2020.
