Rustic Charm Revived...

CHURCHILL[®] super vitrified *Stonecast*

Hand decorated! Each piece is individual.

Introducing 'Stonecast' the beginning of an exciting new collection of rustic and decorated inspired products from Churchill.

Speckled designs were very popular back in the 60's and 70's particularly in the hospitality market. This rustic range is revived from a design from the Churchill archives, dating back to the days of the James Broadhurst factory.

Stonecast is a stunning hand sponged colour wash in a soft Duck Egg colour which is then hand finished with a fine speckle and rustic edge in a rich Golden Brown. The nature of the process means that every piece will be slightly different, adding to the overall charm of the product.

The softness of the colour and finish is key in making the range as versatile as possible. Stonecast complements all types of foods and adds value and authenticity to the overall presentation.

The range is suitable for a broad range of markets from rustic gastro pubs serving traditional fayre through to more premium restaurants looking for an eye catching product to truly showcase their dishes.

Whatever your venue or style of food, Stonecast offers the perfect choice!

Stonecast allows you to be individual!
