"The new textured range is amazing, this natural design really complemented the simple, fresh food and the colours lend themselves really well to this style..."

CHURCHILL® super vitrified TEXTURED PRINTS

Texture & colour combined

Designed to mix with current collections to create an eclectic feel. Nature's designs and colours combine to bring the natural world to the tabletop. The classic texture of marble is enhanced in tones of blue and grey, whilst the modern wood design is available in a stylish sepia or fresh green. The manufacturing process is taken from traditional techniques, with technological investment this provides a durable and strong finish.
